About the authors

ANGELA LANFRANCHI, MD, is a practising breast surgeon, Fellow of the American College of Surgeons, and Clinical Assistant Professor of Surgery at Robert Wood Johnson Medical School in New Jersey.

IAN GENTLES is a Fellow of the Royal Historical Society, and Emeritus Professor of History at York University and Tyndale University College, Toronto, where he taught seminars on the history of human population. He is also the former Research Director of the deVeber Institute for Bioethics and Social Research.

ELIZABETH RING-CASSIDY, Reg. Psych.(AB), MA(Psych)., is a Registered Psychologist, specializing in Development Psychology and Research. She is the Director of Student Services at Our Lady Seat of Wisdom Academy in Barry's Bay, Ontario and a Senior Research Associate at the deVeber Institute. Her areas of research include: child abuse, the psychological implications of abortion as well as assisted reproductive technologies.
